PGA HOPE (Helping Our Patriots Everywhere) is the flagship military program of PGA REACH, the charitable foundation of the PGA of America. PGA HOPE introduces golf to Veterans and Active Duty Military to enhance their physical, mental, social, and emotional well-being.

The PGA HOPE program introduces the game of golf through a developmental 6-8 week curriculum, led by PGA Professionals trained in adaptive golf and military cultural competency. This program is free to all Veterans through fundraising such as this, PGA REACH and PGA Section Foundations.
